Dear parent/ carer,

After much thought and deep personal reflection, I will be leaving Treviglas Academy at the end of this academic year and have accepted the position of Headteacher in another Cornish secondary school. Saying goodbye will not be easy; however, I have full confidence in the shared mission, vision and values of The Roseland Trust and the ethos of Treviglas Academy that has been established here. I will remain fully involved as Headteacher for the remainder of the academic year, focusing on seeing our Year 11 and 13 students through their GCSEs and A-levels, and making sure that all our students enjoy their learning.

It has been a privilege to be part of the Treviglas community for the past eighteen years and to serve as the Headteacher of the school for the past six. I can honestly say that I have enjoyed every day and I will be forever grateful. I have had the opportunity to work alongside such a large number of wonderful students, supportive parents and fantastic colleagues. We have created a school where students have achieved beyond their expectations and they attain results which are above the national standard. However, it is not all about results, and Treviglas Academy is a school where students have the opportunity to develop their talents beyond the classroom be that in sport, the creative arts, the Duke of Edinburgh Award, through their leadership and within all the exciting opportunities they are given.

Treviglas has been an excellent place to work and ours is a strong community that has come together over hardships and has celebrated much. Treviglas Academy is now stronger and continues to improve because of the active support of our parents, carers and members of the community. It is my hope that this support will continue to grow and everyone recognises the positive contribution this will have on the community of Treviglas.

I want to take this opportunity to sincerely thank the staff at Treviglas Academy, and I will always remember how we have all worked tirelessly to give every opportunity we can to our students. Therefore, in summary, I would like to thank the school community for their continued support and to express my gratitude to staff, students, Trustees, Governors and parents for the privilege of having had the opportunity to lead Treviglas Academy.

Yours sincerely

Michelle Dunleavy
