Message from Mr Lewis

I hope you had a lovely Christmas break! Year 9 have made a great start to the term and are in the process of carefully selecting their GCSE options. Assessments will be completed by 10 February to help guide these choices.

Activities week plans are now finalised, and I am delighted to see so many of our Year 9 students successfully embarking on their Duke of Edinburgh award - well done. Year 9 students have participated in several careers workshops, including a successful "day at work" with parents. In addition, we will be hosting National Careers Week this term.

The School Production is in full swing, and rehearsals for Curious Incident of the Dog in the Night-time are underway. This term also celebrates literature with World Book Day and we already have Reading Ambassadors in place from Year 9 to support some of our younger students during the tutor reading programme. Sports achievements have been outstanding, and I'm proud to see Year 9 students stepping up as sports leaders.

We love hearing about students' out of school successes so please continue to share these with us. Please also continue to check Satchel One for homework updates and progress.

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
