Message from Miss Dandy

Autumn term was a great start for our Year 8 cohort. They were second in overall attendance and kindness, ambition and responsibility leader boards, pushed themselves into joining sports clubs and challenged themselves in every lesson. The end of term Christmas disco for the whole year group really showed what a lovely, kind and caring cohort they are and I hope they continue to build kind friendships.

I, and I'm sure you would agree, would not want this high standard to slip, so thank you for your continued support regarding uniform and equipment. Please do continue to look on Satchel One so that you can see the homework that has been set and share the achievements of your child! We have had a dip in some students completing homework, which is attributing to several negative points, so please support homework where you can. Students are welcome to use the supervised computer rooms at breaktimes to complete their homework, too.

Personally, I am going to miss Year 8. I am heading on maternity leave, and will return when the year group has graduated into year 9. I have every faith that the students will continue to impress Mrs Bradshaw as she takes over the role and I look forward to seeing their progress as they enter year 9.

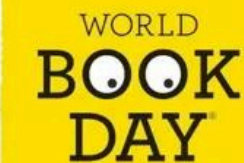

What to look forward to ?

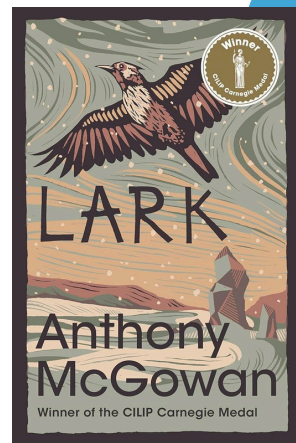

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
