## Message from Miss Dandy

Year 7 continue to make an excellent impression on us all in Treviglas. They are polite, hardworking and focused. Highlights so far this year include, the trip to see Peter Pan, the Christmas Disco, the silent disco for rewards and a personal highlight of mine, the steelpan concert they all participated in as part of their music lessons with Mr Mildenhall. This was a great privilege to see so many young talents enjoying a new skill. We also welcomed Cornwall Guide Dogs to assembly; the students asked some very mature and thoughtful questions.

Recently, students have worked with the RSC on an art project to make paper flowers and some are continuing their work towards the Arts Award. Upcoming events include an assembly by Kooth, which will provide our students with information on accessing this free online counselling service, and another round of reward events towards the end of the term. There will also be another event, a request for an Easter egg hunt has been mentioned, which I am organising near to Easter. This will be a fun opportunity for students to spend time with their tutor in the spring sunshine!

We look forward to welcoming you all to school on Wednesday 27th March for parents' evening - more details will follow soon.

Please do make sure to follow our Facebook page to see all the wonderful activities our students are enjoying at Treviglas.

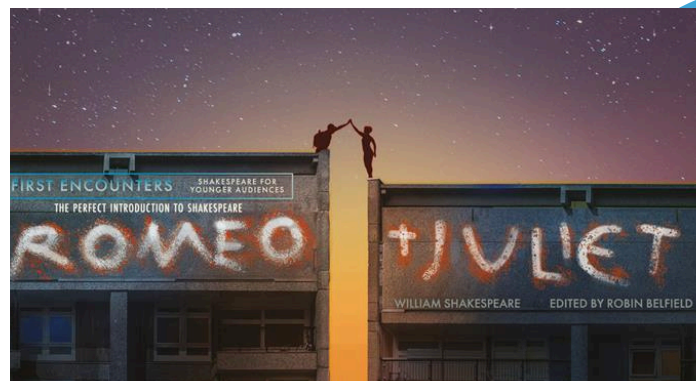

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
