Summer Term
Year 10

The Term Ahead

● KINDNESS ● RESPONSIBILITY ● AMBITION

Message from Mr Lewis

The Summer Term is a key stage in the Year 10 journey, with students now reflecting on their PPEs and preparing for the demands of Year 11 and their GCSEs.

We are proud of their progress, maturity and commitment, and this term is an important opportunity to build momentum by acting on feedback, deepening knowledge and striving for personal bests.

Students continue to enrich school life through achievements in sport, music, drama and academic programmes, alongside wider experiences such as workshops, guest speakers and upcoming work experience placements.

We also look forward to celebrating their efforts with events including the Thorpe Park trip and Sunset Sessions.

Thank you for your continued support at home. As always, strong attendance remains essential to ensure every student can fully benefit from the opportunities available and approach Year 11 with confidence.

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
