Message from Mr Lewis

A very warm welcome to the 2025–2026 academic year. Year 10 is an important milestone as students begin their GCSE courses and, for some, take on the Silver Duke of Edinburgh Award. Exciting highlights ahead include a year group celebration trip to Thorpe Park and valuable work experience during the final week of the summer term. Alongside these, a wide range of curriculum opportunities and awards will support and inspire every individual.

The year has started exceptionally well, with students returning refreshed, motivated, and ready to embrace the challenges of Key Stage 4. They have arrived smartly dressed, well-prepared, courteous, and ambitious. While a few began with understandable nerves, the atmosphere has been overwhelmingly positive, and it has been wonderful to see their confidence grow.

Thank you for your continued support – we look forward to a purposeful, successful, and rewarding year ahead for all our Year 10 students.

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
