Message from Mrs Vittle

As we begin Year 11, our focus is firmly on preparing students for their GCSE examinations. Every day truly matters at this stage—each lesson builds towards their final success, and even a single missed day can mean a missed opportunity.

To strengthen learning at home, we have organised a Year 11 Revision Day on Friday 30th September. During the school day, students will receive practical strategies and tips to help them revise effectively. That evening, we warmly invite parents and carers to a special meeting where we will share ways you can support your child's learning journey at home.

In addition, Year 11 students will be encouraged to attend Session 6 lessons after school. These provide valuable extra support and guidance to help them reach their full potential.

Finally, we are delighted to share that the Year 11 Prom has now been booked! This will be a well-deserved celebration of their hard work and achievements once exams are complete. Further details will be announced soon.

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
