This Week's Treviglas Focus – Success

1. A Message from the Headteacher

Our younger students have experienced first hand how successfully the students in Years 11 and 13 have completed this phase of their life journey. The students' attitude towards the GCSE has been exemplary. They have taken control of their ability to attain success in their exams.

Success comes in many forms and it is important to take time to consider the strengths that help us to become successful. In my opinion, these strengths include:

Working hard
Cherishing and nurturing our relationships
Collaborating successfully
Respect for diversity
To never stop learning
Resilience.

2. Mrs Drake – Teaching and Learning

Habits are difficult to break and that it is why it is important that we continually reflect upon our learning routines and how we are using these in lessons. In particular, how are we checking for the understanding of all students in our class and adapting the learning? Please revisit the strategies shared by Mr Orton and Mrs Brain in staff briefing. This week, focus upon how you can use mini whiteboards in order to check students' understanding of key words in the lesson.

3. Mrs Brain

Well done Emilia (8BAN) on becoming a Reserve Champion at the Royal Cornwall Show on Friday 9 June 2023. An absolutely amazing achievement. Congratulations!

4. Mrs Suttle

English: This week sees the end of the exam series for English with the final language paper 1 on Monday. Next week sees the start of the end of year finals for Year 10 where they will be sitting a language paper 1 and a literature paper 1. KS3 this half term will be comparing and contrasting poetry; Year 7 explore Poetry from Different Cultures; Year 8 explore Love and Relationships; and Year 9 explore Power and Conflict. This is a lovely and creative way to finish the school year with assessments focussed on essays exploring the similarities and differences between two poems.

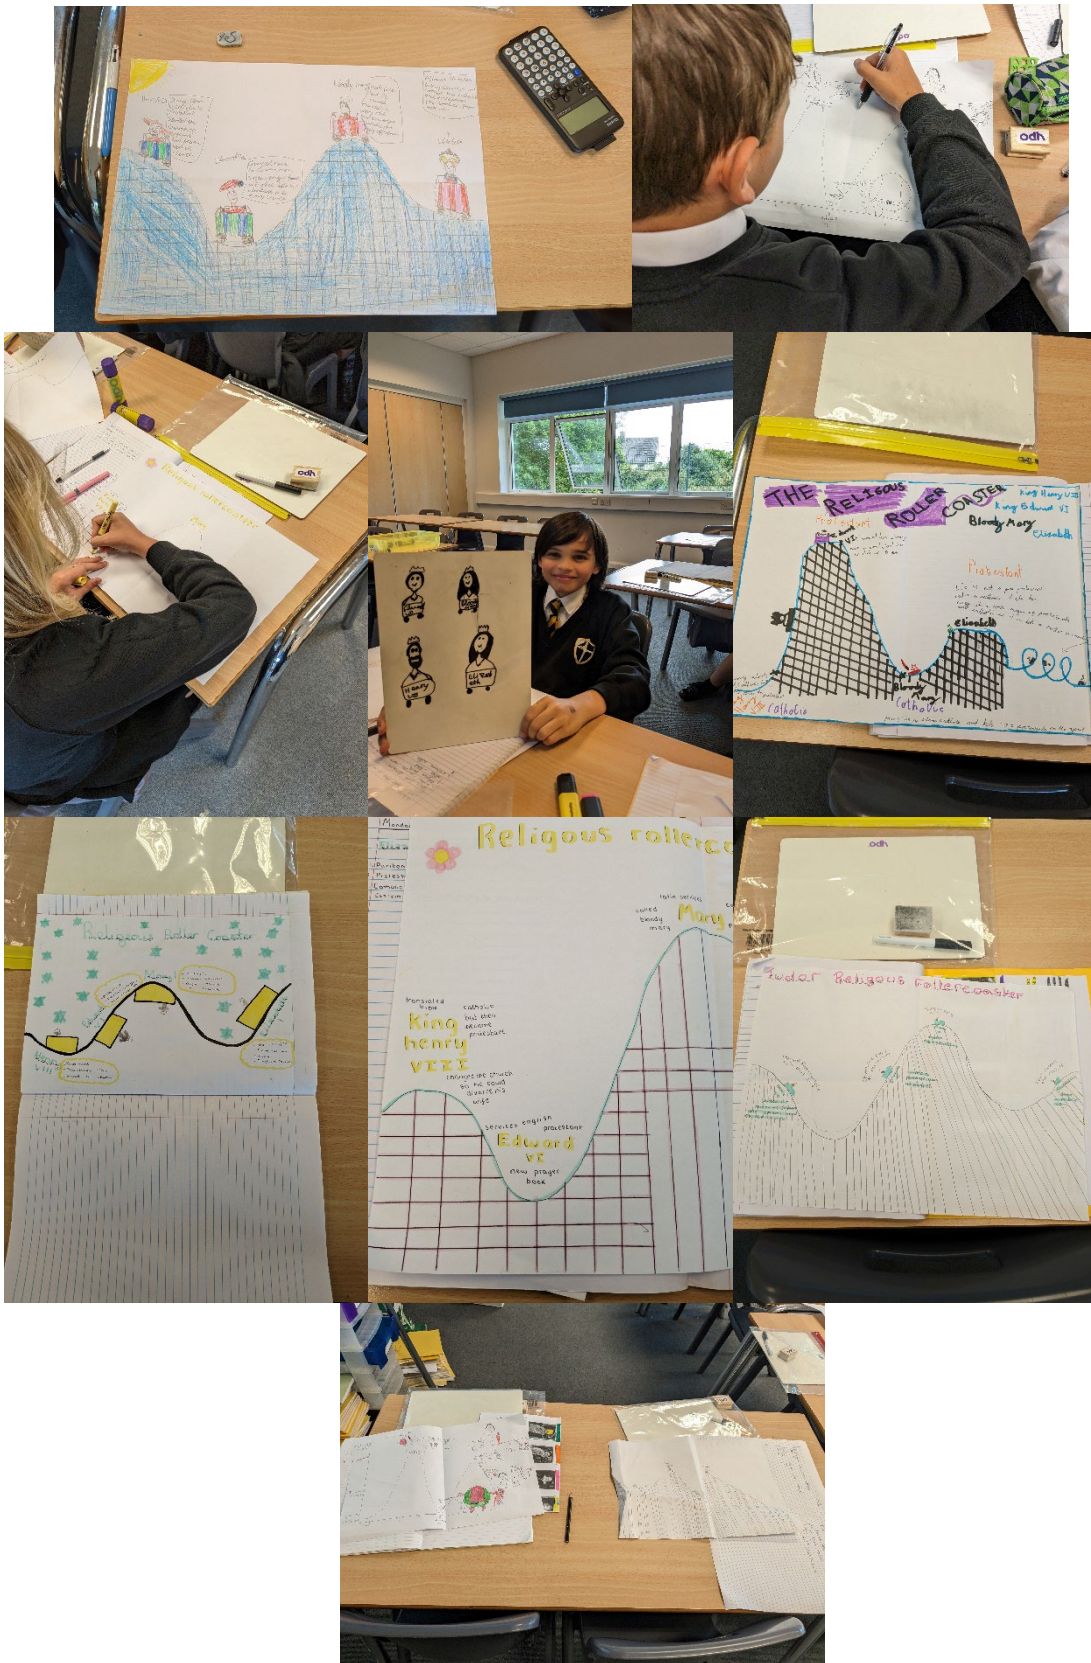

Well-Being: We hope you took the time to catch up on all the wonderful benefits of the employment assistant programme that was sent out last week. The weather has been glorious and we hope you are getting out and about and enjoying Cornwall's beautiful coastal path and glorious beaches. It really does feel like summer is truly here.

5. Mrs Fielder

It's GCSE season! In History all students are looking forward to the next stages of their learning journeys. Year 11 are sitting their GCSEs, year 10 are revising for their upcoming mock GCSEs at the end of June and year 9 are beginning to work on the Crime and Punishment topic that will continue for those who have chosen the subject at GCSE.

For those who haven't chosen History as an option it is still a thrilling topic to work on, as we delve into the dingy smog filled streets of Victorian London, where there is a killer on the loose, will we ever know who Jack the Ripper really was? Hopefully our developing Historians can help us solve this famous History mystery.

In year 7 we are answering another History Mystery: Why is Mary I called Bloody Mary? 7BH1 Students have created some beautiful visual representations of the 'religious rollercoaster' that helped shape England during the Tudor reign.

6. Mr Nions – Sport

This years sports day is taking place early to allow the participation of those KS4 students that never usually get the opportunity to showcase their talents.

The dates for sports day 2023 is as follows:

Wednesday 21st June - Yrs 8 and 10

Thursday 22nd June - Yrs 7 and 9

Full PE kit will be required, students will not be able to participate without kit. If you can see any problems with this then please see Mr Nions prior to the day.

Sun cream and a water bottle will be required, we will have fill stations and shelter on the various events on offer.

Students will be required to register with their tutors at 0830 prompt and make their way up to the fields.

Many thanks, The PE team.

Lunch	12.30 pm – 1.00 pm
Lesson 4	1.00 pm – 2.00 pm
Lesson 5	2.00 pm – 3.00 pm

eXtra@ programme

Please take a look at our eXtra' Programme and thank you to all staff that contribute to it. Do share these opportunities with our students. Tutors should look out for those students who they feel will benefit from attending an aspect of this programme and support them to find out how to do this.
