Summer Term

Year 10

● **KINDNESS** ● **RESPONSIBILITY** ● **AMBITION**

Message from Mr Lewis

This time next year, Year 10 students will be writing their GCSE exams. Students should be proud of their academic progress since the beginning of the academic year. Next half term, Year 10 will be assessed in the final mock exams. Their maturity and dedication to these mock exams should result in excellent attainment, and put them in a very strong position ahead of starting Year 11.

We thank all parents supporting and monitoring their achievements at home via the termly academic reports and Satchel. We welcome your ongoing communication as we continue to raise standards and please do not hesitate to contact us regarding any questions that you have about your son/daughter's achievement.

The aim is to ensure Year 10 are prepared for the challenges ahead and that they have opportunities to thrive for excellence in their personal lives and academic pathway.

Our hope now is that Year 10 are looking forward to their work experience placements in the final week of term from 15th to 19th July 2024.

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.

Work Experience
15th - 19th July

Tutor Reading

What is my child learning about this term?
