Message from Mrs Bradshaw

We are delighted to welcome our new Year 7 students and their families to the Treviglas community. It's been a fantastic start to the year, with students already showing the values we hold dear: kindness, respect and a strong work ethic. They've approached their lessons with enthusiasm and curiosity and it's been a pleasure to see new friendships forming across the year group.

There is so much to look forward to this term, including exciting learning opportunities, enrichment activities and the chance to get fully involved in school life. We're incredibly proud of how well Year 7 students have settled in and we're confident they'll continue to thrive and grow as part of our vibrant school community.

Thank you for your ongoing support - we look forward to an exciting journey ahead!

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
