Message from Miss Dandy

This year's Year 8 set a very high standard throughout Year 7, and their challenge remains hard to better this. So far, Year 8 have made a positive start with their preparedness for the day and their attitude towards learning and their kindness towards their peers.

I hope Year 8 will continue to build on the fantastic foundations they created last year as they progress on their Treviglas journey.

We have a lot of exciting opportunities for our Year 8s to get involved with, including sports clubs, drama productions, art challenges and much more. Our Facebook page is the best place to keep up-to-date with all the opportunities on offer. We will also end the autumn term, with a Christmas Disco. This has become a firm favourite on the calendar each year, and plans are afoot to make it bigger and better!

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
