# The Term Ahead

Summer Term

Year 7

● **KINDNESS** ● **RESPONSIBILITY** ● **AMBITION**

## Message from Miss Dandy

I continue to be impressed with Year 7. They are dedicated and focussed on their learning and are representing the school to the highest of standards. They are showing kindness toward each other, and are working hard to achieve good grades in their subjects.

Many of our talented students were involved in Neverland – which played for 4 nights to sell-out crowds! Several of the students from Year 7 have overcome their fears of performing for the first time, and I hope they are now incredibly proud of what they have achieved. Throughout the remainder of their Treviglas career, there will be plenty more opportunities to practise the performing arts, as well as learning about the backstage elements.

Looking forward, there will be the serious matter of end of year assessments, but also lots of fun things to look forward to. Our students can look forward to a jam-packed activities week, along with a host of reward events.

Please do make sure to follow our Facebook page to see all the wonderful activities our students are enjoying at Treviglas.

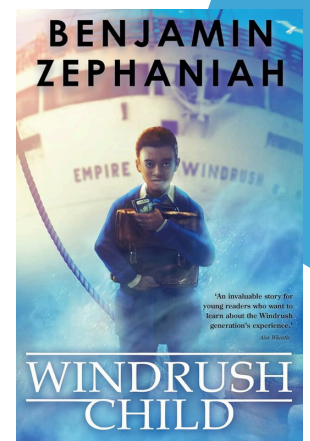

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.

Tutor Reading

# What is my child learning about this term?

Subject	Summer Term Learning Cycles
