Message from Mr Lewis

A warm welcome to the 2024 / 2025 academic year - an exciting time! Year 9 students get to choose their GCSE options later in the year and many start the Duke of Edinburgh Bronze Award. Among these two flagship Year 9 events, there will be numerous opportunities, awards and adventures catered to individual interests.
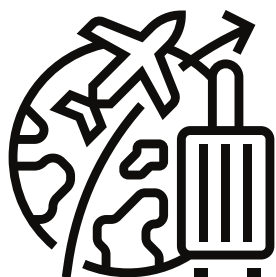

I also am pleased to say that we have had an outstanding start to the new academic year – everyone has clearly rested, relaxed and recharged after what we hope was a memorable summer holiday for all.

Thank you to the parents / carers as students have arrived in the correct uniform, well equipped, well mannered, kind and aspirational. Some were nervous too – but the smiles have been non-stop and contagious since returning, so hopefully all are now feeling settled as we move further into the curriculum.

We are looking forward to a positive and unforgettable academic year!
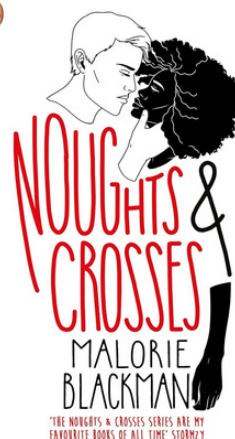

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
