

# ACTIVITIES WEEK 2026

13TH - 17TH JULY

TREVIGLAS  
ACADEMY

[WWW.TREVIGLAS.NET](http://WWW.TREVIGLAS.NET)

Please make sure you have read the letter attached before selecting your activity.  
If you have any general questions regarding Activities Week, please contact

[activities@treviglas.cornwall.sch.uk](mailto:activities@treviglas.cornwall.sch.uk)

For any specific questions regarding a trip, please contact the lead teacher,  
which can be found in this booklet.  
All trips to be booked and paid for on MCAS.

Dear Parent/Guardian,

We are writing to you with reference to the Activities Week planned for this academic year.

There are lots of exciting opportunities for our students this upcoming Activities Week, running from 13th – 17th July 2026.

This is an important opportunity for students to have fantastic learning opportunities outside the classroom. The activities selected will allow our students to build on their skills such as teamwork, communication and creativity/problem solving.

All of the activities have been selected with an emphasis on providing great opportunities with great value for money.

Some important points to note:

- We will review prices when we know the exact numbers per activity. However, we are confident that they should only change by a small amount (if at all)
- There are a variety of activities at a range of prices so both parents/guardians and students can choose the option that suits their budget and preference
- In terms of financial planning and support, we are allowing for payments to be spread over an allocated period of time
- An initial deposit will hold your child's place on these activities until full payment is received (even if you are choosing a free activity, places still need to be booked)
- Deadlines for full payment will be announced as soon as possible. The deadline for the deposits will be at the end of December
- As this year we are offering opportunities for the students to have residential trips, we are required to make payments in instalments to other companies at specific dates prior to travel
- Payments taken for students who have enrolled and later withdrawn can only be reimbursed if another student takes their place (this, of course, can never be guaranteed)
- If a trip is cancelled for reasons outside of our control, refunds will be issued in full but may be subject to delays due to national guidance, travel operator issues and/or insurance processes. Please be aware this process can and likely will take time, but the school will endeavour to reimburse as soon as we are able to
- By paying a deposit for any trip, you are confirming that you have read and understood the payment terms
- For residential trips all food is included, except for travelling time so additional money will be required to purchase food at these times and for general spending when away
- All students will be required to demonstrate excellent behaviour leading up to and during the activities. Any students who fail to meet these standards will remain in school or will be collected from the activity. There will be no refunds for missed activities due to poor/unsafe behaviour
- Based upon the feedback we received last year about children being in friendship groups, this year we will allow students to choose groupings prior to the activities, these will be on specific dates and so if the child misses these dates/times then groups will be allocated for them.
- You will be notified when the booking system will be opened
- Students will not be able to switch groups after the shared deadline as paperwork has to be completed and sent off to be approved well in advance of the events

If you have any general questions regarding activities week please contact [activities@treviglas.cornwall.sch.uk](mailto:activities@treviglas.cornwall.sch.uk). If you have any specific questions regarding a trip please contact the lead teacher - this information can be found in the brochure.

Yours sincerely

The Activities Week Team

## PGL at Barton Hall (residential trip):

This trip will present a host of different challenges, which are sure to bring out the best in our young people and inspire a sense of confidence that will remain with them for life. Students will travel by coach.

Activities may include:

- climbing and abseiling on an Alpine crag
- mountain biking

- high ropes jungle park, via ferrata (an exhilarating way to navigate across a cliff face by way of giant metal staples in the rock)

- white-water rafting

- inflatable water park

- a full day's hike in some of the most breath-taking scenery you can imagine

Example Itinerary: <https://bit.ly/3GuhmzU>

Any questions or queries email: Mr O'Grady (MOG@treviglas.cornwall.sch.uk)

<b>Cost £210</b>

# Surfing Week

5 days of surf tuition and coaching with the qualified instructors from Kingsurf at the beautiful Mawgan Porth beach.

A whole week of surfing awaits you with wetsuit and board provided if needed. All surf abilities welcome from beginners to the absolute shredders. We'll make small groups to suit everyone's level. Experience loads of wet and wild fun, with a healthy dose of Cornish vitamin sea!

Boards and wetsuits all included if needed.

**Students must be dropped at Mawgan Porth by 9.00am and then collected at 2.45pm**

Student quote from last year:

"I did the surfing week for activities week for the last two years and I thought it was an amazing way to end the school year. I really loved how you get to enjoy your passion with your friends or learn to surf and make new friends. The possibilities of this week are endless! One of my highlights was trying to surf with two of us on one board (if you haven't tried it, you need to!) I loved how our instructor was so enthusiastic and was making everyone achieve to the best of their abilities! Whether your learning to surf or know how to surf, it's a great week (with amazing teachers too)!"

# Skating

Skateboarders and scooter kids this years activity week includes 3 all day sessions at Mount Hawke, one of the UK's best indoor and outdoor skateparks, from 10 - 2. The other two days will be a day on the beach to rest and some school-based sports.

You need to sign-up with Mount Hawke and complete their user form and agreement before you're allowed to come.

Food and drink is available from Mount Hawke on the day or packed lunch can be brought.

This is the perfect activity, rain or shine, for anyone into skateboarding, scooters, or rollerblading. Students will need to bring a helmet, pads and a change of clothes, depending on the weather. Plus, enjoy two days of beach and school sports to round off the week.

**For more information, contact Mr. Watts at [WAT@treviglas.cornwall.sch.uk](mailto:WAT@treviglas.cornwall.sch.uk).**

## Textiles

Fancy something a little more chilled during activities week?

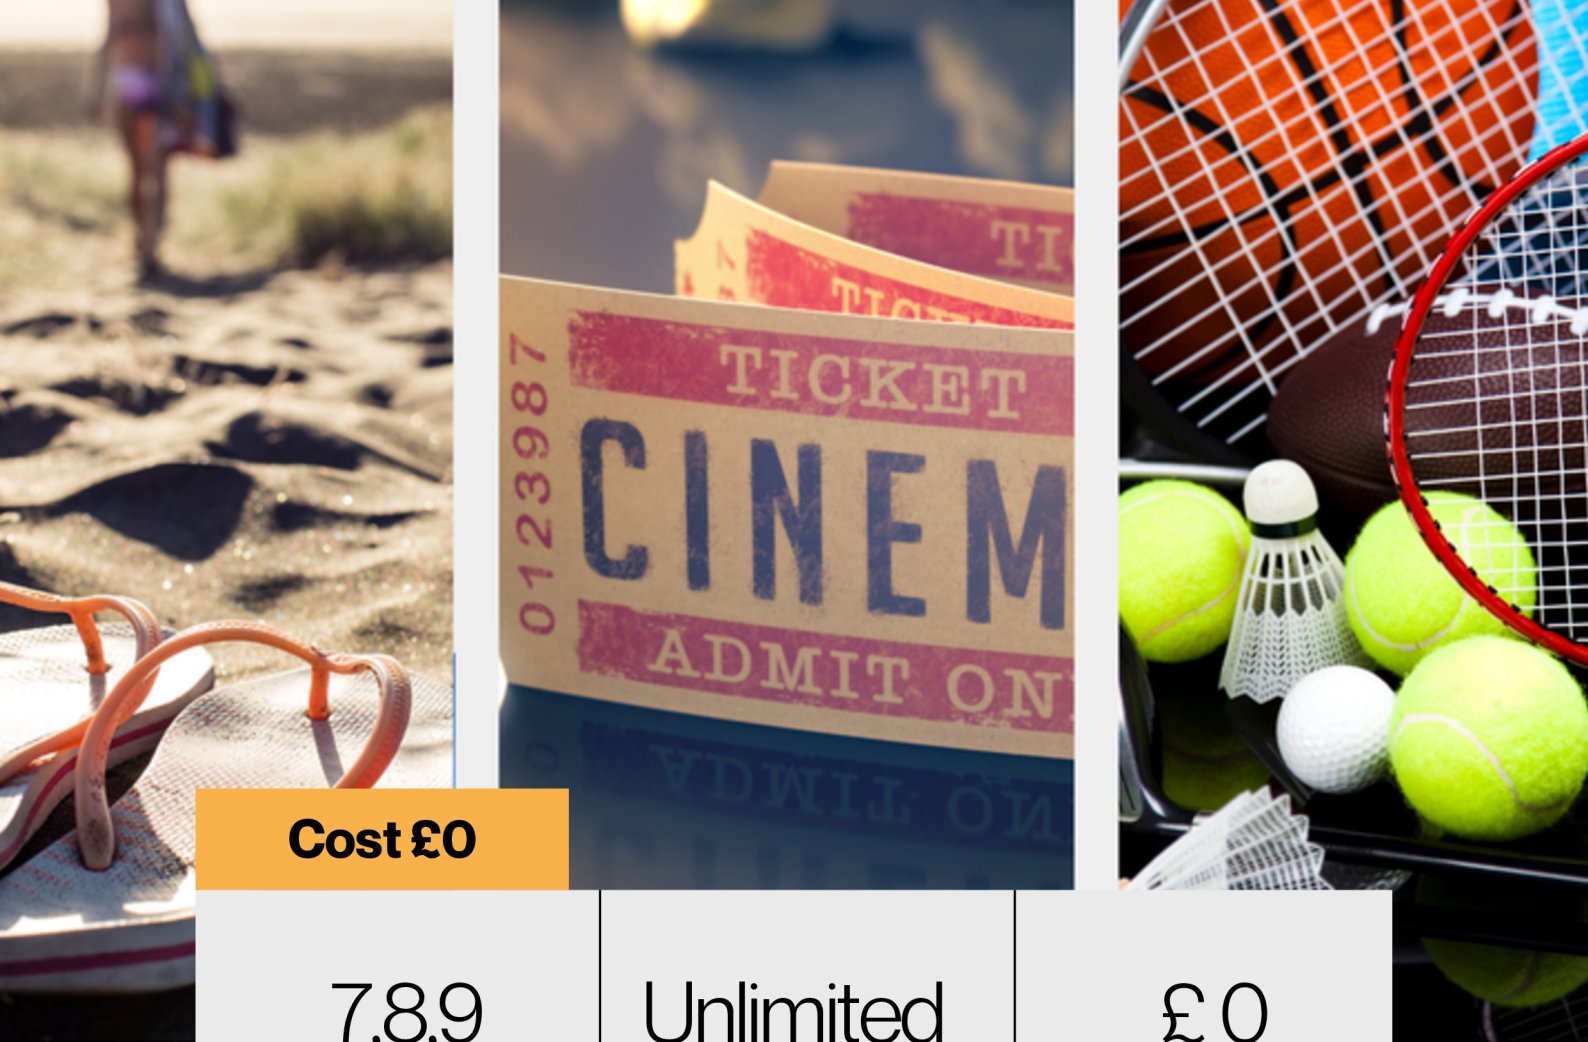

Want to learn how to knit your own toy animals, or embroider a beautiful picture?

Join us for some textiles based crafting as we learn the basics of knitting, embroidery and cross-stitch. All resources will be provided as part of the cost and you do not need to have any experience with these skills. If you already have an ongoing project at home then feel free to bring this along with you.

This will run on Mon, Wed and Fri of activities week. For the other 2 days you will potentially be going to the beach or joining in with other school based activities.

Contact Mrs Harper, [HPR@treviglas.cornwall.sch.uk](mailto:HPR@treviglas.cornwall.sch.uk) for more details.

## Keep it Local – Free week

This week offers a variety of activities, including beach days, school sports, a cinema experience in the lecture theatre, and classroom-based activities with staff.

For more information, reach out to the activities team at [activities@treviglas.cornwall.sch.uk](mailto:activities@treviglas.cornwall.sch.uk)

You do still need to book on to this activity.
