Message from Mrs Vittle

This year is very important for Year 11 culminating in their GCSE exams. It is vital that Year 11 attend every day to ensure they do not miss any learning opportunities. Students will be invited to Intervention sessions for different subjects. When they are invited, it is because the teacher has identified a need in their subject area. The sessions are specifically designed to support students so not all students will be invited to all sessions, but invited students must attend.

The first set of Year 11 Pre Public Examinations start on Monday 7th October and conclude on Tuesday 22nd of October. This will be an opportunity for Year 11 to continue to develop their skills in working in examination conditions. It will also allow staff to consider areas of weakness for individual students that need to be a focus for development.

Year 11 students and parents will be invited to our Family Learning and 6th Form Open Event on Wednesday 6th November. At this event, we will be discussing how parents can support revision and learning at home. Staff will be available to discuss opportunities and courses available at Treviglas 6th form. Details of the Year 11 Prom will also be announced at this event.

Year 11 parents evening will be on Thursday 21st November. This will be an opportunity for you to come into school to discuss your child's progress and specific areas of focus. It will be a busy year culminating in the celebrations of Year 11 Prom and GCSE results day!

What to look forward to ?

At Treviglas, we are committed to offering our students outstanding opportunities to enhance their overall development and explore new experiences.
