Dear Parents / Carers

I am writing to you regarding our Trust's Parental Code of Conduct. As you are aware, our Trust is committed to providing a safe and positive learning environment for all students and staff and the Parental Code of Conduct plays a critical role in ensuring this.

The Parental Code of Conduct outlines the expectations and responsibilities of parents, carers and family members who are involved in the education of our students. This includes expectations for behaviour when visiting the school, participating in school events, and communicating with staff.

I encourage all members of the parental community to familiarise themselves with the Parental Code of Conduct and to adhere to its guidelines. This includes:

treating all school staff, students, and other parents/carers with respect and professionalism; avoiding any behaviour that may disrupt the educational process or create a hostile environment; supporting the school's efforts to maintain a safe and positive learning environment for all students; not using social media in a negative way and to always contact the school directly in the first instance to resolve an issue.

By following these guidelines, we can work together to ensure that our Trust schools remain places where students can thrive academically and socially. If you have any questions or concerns about the Parental Code of Conduct, please do not hesitate to contact the school.

Thank you for your support and cooperation in maintaining a positive and productive educational environment in our schools.

Yours sincerely
